A-Z for French B provides vocabulary and ideas to support oral and written work post-16. Revisiting the book frequently can help you remember the vocabulary. Here is an exercise which helps you revise by combining the language listed in the free sheet called **Vocabulary related to coronavirus and its impact**. (model answers available)

Page	Sentences to translate into French	Over to you!
2 La propagation rapide du virus à l'échelle planétaire	During a global pandemic, the virus spreads exponentially and we must try and avoid coming into contact with an infected person.	
3 L'impact sur les personnes et les communautés	An epidemic of this magnitude completely disrupts life as we know it. We can be at a loss to know what to do and easily let panic set in.	
4 L'entraide au sein des communautés	People feel it is essential to show their appreciation to key workers by clapping for medical staff and by raising funds for those who are most affected.	
5 Innovation scientifique	Searching for a cure and working on a vaccine is a race against time even though the genetic code of COVID-19 was published very soon after the outbreak of the epidemic.	
6 La technologie à notre service	Continuity of education for billions of young people in lockdown is ensured through distance learning and employees can use software for homeworking.	
7 Un impact économique	The Great Lockdown crisis has created the worst economic downturn since the Great Depression as our world has been plunged into paralysis that will have an unprecedented impact on our lives and livelihoods.	

À votre tour de préparer des phrases à traduire pour votre partenaire.
J'espère que ceci vous aidera à mieux exploiter votre livre de vocabulaire !
